

America's Family ResortSM

Service Animal Registration

Smugglers' Notch Resort welcomes ADA Service Animals; as such a service animal may have been in the home prior to your arrival. Personal pets, including support animals, are not permitted in the Resort.

Is this animal required because of a disability?

YES or NO

Animals whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA and are not permitted in the Resort.

Service animals are known to be highly trained. We know we can count on your service animal's best behavior in the following ways:

- Your service animal must not be left unattended in the home
- Your service animal must be leashed when outside of your accommodation
- Your service animal may not display unruly behavior or disturb other guests
- Owners are responsible for cleaning up after their service animal in all areas of the Resort, including all grounds and hiking trails
- Owners are responsible for any damage caused by their service animal and agree to allow Smugglers' Notch Resort to charge the credit card provided for any damage caused by the animal

If the animal is found not to be an ADA compliant service animal, based on the behavior exhibited by the animal, there will be a \$500 charge and the animal will be required to be removed from the Resort. Your signature below indicates agreement with the rules and fees.

Your signature verifies that your dog's required vaccinations are current.

Unit _____ Dates of Stay _____

Breed and/or color _____

Name of Guest _____
